

Health insurance made to fit you

Special agreement for:

Thanks to an agreement between both companies you now have the opportunity to trust **ASISA** with your and your family's health care under very beneficial conditions. We make this offer because we know that the human factor is a company's main asset

What only **ASISA** can offer you

ASISA has more of its own resources than any other company: 14 clinics and 16 Medical Centres.

Among more than 32,000 doctors at your disposal you will surely find yours.

More than 600 affiliated Medical Centres throughout the country.

And more than 100 customer service points, so we are closer to you.
